ABOUT THE JOURNAL

Acta IMEKO is an e-journal reporting on the contributions on the state and progress of the science and technology of measurement. The articles are mainly based on presentations given at IMEKO workshops, symposia and congresses. The journal is published by IMEKO, the International Measurement Confederation. The ISSN, the international identifier for serials, is 2221-870X.

ABOUT IMEKO

The International Measurement Confederation, IMEKO, is an international federation of actually 41 national member organisations individually concerned with the advancement of measurement technology. Its fundamental objectives are the promotion of international interchange of scientific and technical information in the field of measurement, and the enhancement of international co-operation among scientists and engineers from research and industry.
